

AB 1172 Compliance Training for NPS/NPA Staff

Instructor

Dr. Jaime Flowers possesses a diverse range of qualifications and expertise. Licensed as a Licensed Educational Psychologist (LEP) in California and a Licensed Specialist in School Psychology (LSSP) in Texas, she brings a wealth of knowledge to her field. Additionally, Dr. Flowers holds certifications as a Board Certified Behavior Analyst (BCBA) and a Nationally Certified School Psychologist (NCSP). Her research primarily revolves around the ethical dimensions of behavior analysis and the analysis of behavior within educational settings. Dr. Flowers has established a reputable Continuing Education (CEU) website, which offers valuable ethics, supervision, and DEI content to behavior analysis professionals.

Course Description

This 2-hour interactive course satisfies the annual training requirement under California Education Code AB 1172 for staff at Nonpublic Schools (NPS) and Nonpublic Agencies (NPA). The training covers the legal mandates of AB 1172, trauma-informed practices, behavior emergency procedures, data collection strategies, behavior functions, and evidence-based interventions. Learners will engage through videos, games, case studies, and knowledge checks to ensure understanding and compliance.

Learning Outcomes

- Explain the legal and ethical foundations of AB 1172
- Identify and apply trauma-informed strategies
- Recognize legal boundaries of emergency interventions
- Collect and interpret behavioral data accurately
- Identify behavior functions and match them to appropriate interventions
- Implement antecedent and consequence strategies using differential reinforcement
- Use tools such as token boards and visual supports
- Demonstrate readiness for AB 1172 compliance through knowledge checks and interactive activities
